

Community Innovation Grant — 2026 Funding Guidelines

Program overview

The Community Innovation Grant supports practical projects that improve access to community services, digital inclusion, education, or local environmental outcomes. Awards are intended for projects that can demonstrate a clear community benefit and a realistic implementation plan.

Eligibility and mandatory requirements

1. Applicant eligibility — **Mandatory**: The applicant must be a registered nonprofit organization, educational institution, or community organization operating in India.
2. Project duration — **Mandatory**: The proposed project must be completed within 12 months of the grant award.
3. Community impact — **Mandatory**: The application must describe the target community, the problem being addressed, and at least two measurable outcomes.
4. Project budget — **Mandatory**: A detailed project budget must be provided, including major cost categories and the total amount requested.
5. Implementation plan — **Mandatory**: The application must include key activities, responsible parties, and an implementation timeline.
6. Supporting organization documents — **Mandatory**: The applicant must provide proof of organizational registration and the name/contact details of the authorized representative.
7. Data protection — **Mandatory**: Projects collecting personal information must describe how participant data will be protected and retained.

Recommendations

8. Sustainability plan — **Recommended**: Applicants are encouraged to explain how project benefits will continue after grant funding ends.
9. Evaluation approach — **Recommended**: Applicants are encouraged to describe how they will monitor progress and evaluate outcomes.

Submission requirements

Applications should be submitted as a PDF. Supporting documents should be clearly named and referenced in the application. The requested grant amount should be consistent with the detailed budget.

Review note

Meeting the listed requirements does not guarantee funding. Final funding decisions are made by the grant committee.
